## Verhalen's Vision

We wrapped up our fall sports on Thursday. Lincoln had some highs and lows during football, and the team played some very close games against Valley Oak and Liberty. The boys played their hearts out and grew in stature in my eyes. Character was gained every game under Mr. Dunbar's last year as the head football coach. Nice job Coach Dunbar.

Our volleyball girls also grew and competed well. They also had ups and downs and under Coach Goudy, learning the fundamentals and becoming better athletes. Mrs. Goudy expectation is not only that players try new things, but also that they demonstrate good character. She always pushes the girls to compete, build character through hard work. When we look at cross country, a sport within a sport, you compete against yourself to try to improve your time and also compete for a team victory.

Our runners worked very hard every week to improve their times and by the end of the season, they ran personal bests at the District Championships. A big thanks goes out to Coaches McBride, Haury, and Williams.

I am very happy the way our Lions competed during this season and can't wait for Winter Sports to start next week!

Always do what's right,  
Matt Verhalen
