## Verhalen's Vision

Our Lincoln baseball, softball, and volleyball teams have gotten off to a solid start. Baseball had a solid win over Nelson, and our boys volleyball team played Nelson into the third set before losing a close match. Our softball girls struggled against Nelson, but then went to the Buchanan tournament and won 1<sup>st</sup> in the silver division. We have some athletic students that can compete and that is all we ask. Come out and watch a game!

We had about 29 parents come to our second technology night. We served dinner to parents and children and gave away games to the children. Parents then went to the LMC and Chip Henderson shared how parents can protect their children from many of the dangers revolving around technology. There are many ways our youth can make poor choices with cell phones or computers, but when parents are aware and monitor their children's use, you can decrease the chances of our children hurting themselves or others.

Always do what's right,  
Matt Verhalen
