Verhalen's Vision

Lincoln Parents,
Next week begins SART Survey week. Each family will receive an email that will give instructions to this on-line survey. This is a chance for parents to give Lincoln and CUSD feedback as to how we are doing as a school and district in educating your children. Please take a moment to take this survey. I appreciate both positive and negative feedback, as it helps me understand what families are thinking and gives me data to make incremental changes.

This past Thursday, 21 Lincoln students went out to the San Joaquin River below Friant Dam to release 150 newly hatched salmon. It is exciting to think that our students and 5th grade teachers are a small part of restoring a fishery that has been dead for almost 80 years. This has given our students a connection to the local environment and is teaching them how people are involved in very difficult decisions, such as deciding if water should be used for farming or protecting salmon or if we can do both effectively.

Always do what's right,
Matt Verhalen

Technology and Social Media Parent Information and Dinner Night
