Verhalen's Vision

We are bringing our Holiday program back to Lincoln on Tuesday December 12. With construction on our MPR completed, we believe we can fit much better and will not have parents standing outside. We will still be limited for space so please attempt to keep strollers outside. Parking can be a challenge during campus events. For those of you new to Lincoln, it is good to know you most likely will not find parking on campus and will need to park in the surrounding neighborhoods, Kastner parking lots, or anywhere else you can "Legally" park. I will try to get my teachers to park on the grass, but non-staff are not allowed to park on the blacktop.

Our first week of Winter sports is completed and we are excited to see how our teams grow in basketball. We have many athletic students that can compete with anyone if we can get more of our shots to drop. Our wrestling team is strong with many students returning from last year's 4th or 5th grade, so our experience is high. We should be really good in league.

Parents, please take 10-20 minutes a day to read with your child. If it is important to you, they will get better at it and it will become important to them.

Always do what's right,
Matt Verhalen
