Verhalen's Vision

Starting next week Lincoln will be participating in the "Great Kindness Challenge". This is a national event that we will be participating in this coming week. Following this kindness week, we will have an anti-bullying assembly with nationally known, Josh Dreaan, and then culminate our kindness month with the movie, Wonder. Many social issues will be discussed, and student will be challenged to up their games to "love their neighbor" which is every student at Lincoln and beyond. There will be grade level activities and goals set for students to focus on. Each grade level with determine their goals and rewards. Pizza factory is donating a "Buddy Bench" for the playground area that students sit on when they are feeling alone. That lets others know that they need a friend and another student will go up and invite them to play with them.

We also continue to challenge students to have perfect attendance, and this month the challenge is a class challenge, meaning the goal is for the whole class to have many days of perfect attendance. Yesterday, all students that had perfect attendance for the month of December were treated to hot cocoa with marshmallows. It feels like the attendance challenges are encouraging better attendance at all grade levels which is a good thing!

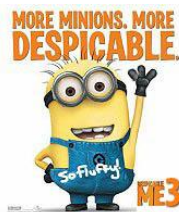

Always do what's right,
Matt Verhalen
