## Verhalen's Vision

I'm sitting in the Lincoln office at 7:15 reflecting on Open House. I enjoyed seeing hundreds of parents and students in the classrooms talking to their teachers. Students showing their parents what they have done on writing projects, art, and computer slides presentations. The third grade had hands on projects to challenge students to build a structure using marshmallows. Fourth grade was showing off their mission projects. The excitement in K-2<sup>nd</sup> grade with parents and students roaming the classroom is just fun to watch. Thanks to all the parents that came out to support your children and encourage them to excel in the classroom.

Our athletic teams had a make-up game at Liberty on Tuesday. Baseball played a great game with timely defense and went into the final inning tied 2-2. Then due to an umpire change (Mr. Verhalen), the Liberty team rallied and came back and won in the last inning. Our girls softball team continues to dominate after their opening game loss to Nelson and have won 7 games in a row. Our boys volleyball team continues to develop and played Liberty to three games but lost by a narrow margin at the end. I am very impressed with the character our players display on the field and courts.

Always do what's right,  
Matt Verhalen
