Verhalen's Vision

The end of construction is very near and we are all so happy about that! The office is getting carpeted and we may start moving in by next week. After Thanksgiving break, all construction should be done and complete in the cafeteria as well. We will be excited to see our new polished concrete cafeteria floor with a huge lion stained into the concrete. Very soon, the fences will be down and we will be able to enter the office like we used to! Best of all, our nurse will be able to return to the main office and the two day hike will no longer be necessary. I think the office staff will be the happiest because they are sick of sharing an office with me. With all that said, I look forward to our new normal at Lincoln.

Parents, please consider donating canned food items to our Lincoln Thanksgiving food baskets. I know that these baskets are a huge blessing to those families who receive them. The season of Thanksgiving and spending time with family and friends is special to me personally. Thanks for your support with this.

Always do what's right,
Matt Verhalen

California Pizza Kitchen Fundraiser

CPK is excited to provide all Lincoln families with a CPK Philanthropizza Card. Every time you use this card,

20%* of your net food and beverage purchases will be donated back to Lincoln PTC. It's easy - the more you visit CPK, the more money CPK will donate. It makes raising money to support PTC's efforts a piece of cake...or pizza!

All you need to do is visit our CPK location in Fresno, November 1, 2017 through January 31, 2018 and present the Philanthropizza card to your server at the end of your meal. Dine in the restaurant with us, try take-out or catering; any way you order helps Lincoln PTC. Either way, we look forward to seeing you very soon.

More cards are available in the office for your friends and family members!
