## Verhalen's Vision

Lincoln had our annual spring concert on Tuesday evening in the MPR. Our string students from 5<sup>th</sup> grade started the show with (in my opinion) the most difficult and skilled instruments to play. Their growth from the beginning of the year to now is remarkable. That is even more evident when we hear the difference between the 5<sup>th</sup> and 6<sup>th</sup> grade. 6<sup>th</sup> grade students sounded amazing and the quality and depth of sound was so easy to listen to. Nicely done Mrs. Olson. Next was our 5<sup>th</sup> grade band and once again the quality of these musicians had improved immensely over the course of the year. You could still hear an occasional squeak but these students are on their way. Our 6<sup>th</sup> graders, due to years of experience, sounded amazing and ended their program with the Star Wars theme song. They sounded very good. Thanks Ms. Jones for your work with these kiddos. The evening ended with Choir. These students scored a "Command Performance", the highest score they could obtain, at their last performance. They shared the three songs they sang at that performance and added two more. The students had fun and sounded amazing. The nice thing about choir is there is not an instrument that is completely new. The students are just learning how adjust their voices and fine tune their pipes. I hope many of our students to continue to excel at Kastner and Clovis West. Mr. Kliever, thanks for your leadership with our Lincoln students.

Always do what's right,  
Matt Verhalen
