Lunch Applications

This is an important message for Clovis Unified families interested in receiving free school meals for their students. We encourage every family to submit an application for the 2017-18 school year to see if your family qualifies for free school meals. Applications are confidential, and the online system at <http://bit.ly/cusdmeals> is now available. We apologize that the online system was unavailable for a short period of time earlier this month, and are happy to report that we are again accepting applications submitted online. More information about our free meals program is available at 327-9130.
