Verhalen's Vision

We wrapped up our spring sports season on Friday. Softball is moving on to a championship game thanks to a solid season. Softball's first game ended in a loss, but the girls have played exceptionally well the rest of the season. Our boys were solid all year but lost a few, but their never give up attitude was evident in the last game when, down 2 runs, tied up the game. The game ended in a tie because of time, with a man at 3rd and 2 outs. Boys Volleyball, once again, continued to improve and Mr. King is looking forward to next year because almost the whole varsity team is returning. Our final season of sport, track, will be starting on Monday.

There are a few big events lined up for the rest of the year. Our 3rd-6th graders have their State Test beginning April 30th, and the play, the carnival, and Block L night will finish up our year. We will also have a talent show on the last day of school. Parents, help keep your children focused on the goal and their academic improvement. The State Test is designed to measure their growth from one year to the next and I am excited to see that data next year.

Always do what's right,
Matt Verhalen

GIANTS IN THE SKY

April 26, 2018 - 6:00-7:00pm
Lincoln MPR

This magical story explores the world of Giants who live above the clouds. Ever since they left Earth a long time ago, the Giants have made a life up above where their job is to keep the sky beautiful. They polish the stars, poke the clouds to let it rain and paint the sunsets. But there is one curious Giant who wonders what life is like on Earth, so she steals a key to the locked up "beanstalk" and embarks on an adventure down below!

*Admission is free, but donations are welcome. Seating capacity in the MPR is limited, so order tickets in advance through Mrs. Wilson in Room 8. Look for the flyer coming home soon!
