Verhalen's Vision

Students seemed excited to be back to school on Tuesday. As they walked on campus, I could see it on their faces and hear it from their lips. Lincoln is back up and running. Yeah, that is the way it feels to teachers, because now we push hard toward the end of the year and the end of the year tests. Teachers have a really good idea of what each student needs to get on grade level or beyond.

Wrestling and basketball teams continue where they left off. In the next couple of weeks, we hope to see some of our teams competing for Area or District Championships. Cheer is also preparing for their end of the season competition.

Lincoln is a very busy place this time of year. Oral Interpretation and Peach Blossom are preparing for their performances, Science Fair is coming up for our 5th graders, and GATE continues to prepare for Science Olympiad. There is always so much activity going on at Lincoln, with rarely a dull moment. Parents, keep checking homework, reading to your child or listening to them read. When you have questions about school, email the teacher or come in and ask. We are nearly halfway through the school year. I can't believe it goes so fast.

Always do what's right,
Matt Verhalen
