## Verhalen's Vision

On Tuesday night, 170 parents and students attended a Lincoln family game night. We started off with a nice dinner for all, background information on Title 1 schools, Clovis Unified Bond Measures, and then Mrs. Castro shared how screen times are affecting our children's brains. The point of the game night was a reminder of how much fun families can have together playing board games, bingo, outdoor games like corn hole, Bocce ball, and rope ladder, as well as other games and toys students played with in the Library. Mrs. Cameron, our new Librarian, has developed an option to normal outside recess and is opening the Library at recesses to let students play and connect in different ways with board games, Lincoln Logs, etc.

Once again, we the staff of Lincoln Elementary, want to encourage all caretakers to limit student screen time to two hours or less a day. Also, if you missed the last Title 1 dinner, don't miss our next Mac & Lions dinner/meeting so you can connect with other families and staff from our Lincoln community.
