## Verhalen's Vision

Our Christmas performance K-3<sup>rd</sup> on Monday night was amazing. Dressed up kids excited to be on the stage and show-off for their parents and grandparents. Our kinder teachers always do an amazing job with their kids without the direction of our music teacher. Thanks to our Kinder teachers for giving their all and making the night special, including your own PJ's. A nice look. Your kids win the "JOY" award. This was followed by our first through third grade where Mr. Kliewer had 3 songs for each grade level. The first song was always spunky and fun, followed by a more introspective song, and ending with the amped up ending song that rose the roof. Thanks to all our kids that helped even me, the Scrooge Principal smile as I watched the joy in each of our kids.

Parents, I am hoping that you are able to spend quality time with your children over the Christmas break. Read to them, have them read to you, and have the family play cards and board games together. Always I encourage you to limit your child's time with technology. It is easy for you, but not great for your child. If in doubt, Google: "research technology and child development". See what the experts are saying. I think the truth is in what GOOGLE employees are doing. Their children attend schools without technology and they don't allow their children screen time. What does that tell you???

Enjoy your Holiday Season.

Always do what's right,  
Matt Verhalen
