LINCOLN LIONS

BLOCK L HANDBOOK 2018-2019

Lincoln Elementary School
774 E. Alluvial Avenue
Fresno CA 93720
(559) 327-720

Overview

The Block L Award is the highest award a student may earn at Lincoln Elementary. The Block L Award is available to 4th, 5th, and 6th grade students and is awarded to all recipients at our special Block L recognition program at the end of the year.

The criteria for earning this award reflect a broad base of participation, achievement, and service. In order to earn the Block L, a student must accrue points in five categories:

- Curricular
- Co-Curricular
- Effort/Citizenship
- Athletics
- School Service and Leadership

Points are earned as the result of participation and/or achievement in designated areas or activities. Candidates for this award must earn a minimum of fourteen (14) points in the “Curricular” category, as well as additional points in each of the other categories. Students who have met initial criteria AND have earned the following total number of points will receive the Block L Award:

- Grade 4: 40 Points
- Grades 5 & 6: 45 Points

Two additional categories are provided in which students may earn points: (1) Attendance and (2) Community Involvement. Unlike the five required categories, students are not required to earn points in these areas. Although points earned in these categories will apply to the total points required for the award, they cannot be used in lieu of points in the required categories.

The purpose of this award is to recognize individuals who exemplify the qualities that Lincoln hopes to foster in all students: (1) the desire for self-improvement, (2) dedication and commitment in reaching for goals, (3) concern for and service to others, and (4) the willingness to be a positive role model to others.

A student must be an active and enthusiastic participant in the activities of the school, engage in the pursuit of excellence, and meet certain standards of achievement and performance. Individuals earning this prestigious award receive the Lincoln Block L plaque. Second- and third-year recipients receive a medallion to be added to their first-year plaque. **No LATE forms will be accepted.**

Lion's PRP

Based on Lincoln's Personal Responsibility Award:

A student earns two (2) points for each of the first three quarters when he/she has earned Lincoln's Personal Responsibility Award. Students who have met the criteria of the Personal Responsibility Award earn this award on a quarterly basis. An "N" on the student's report card will disqualify the student for that quarter. Students may earn two (2) points per quarter for a maximum of six (6) points.

*****If at any time during the school year a student is suspended they will be deemed ineligible to earn the Block L Award. They can appeal this rule on an individual basis with the principal.**

Attendance

Regular attendance in school is an important factor in student's progress, achievement, and success. Therefore, attendance is one of the factors associated with being an EXEMPLARY LION.

Students with perfect attendance (no absences) or unexcused tardies for all quarters will receive two (2) points. Students with one to three absences will receive one (1) point. Students with more than three excused absences and/or any "unexcused" absences will not receive points.

Students, who complete an Independent Study (IS) contract, are not counted as absent. The independent study contract must be initiated prior to the absence in accordance with district policy. **An Independent Study Contract does not count towards Perfect Attendance.**

If a student has more than 5 unexcused/un-cleared absences in a semester they will be deemed ineligible to earn the Block L Award.

Classroom/School Service (Teacher Discretion)

All students have the opportunity to make worthwhile contributions to Lincoln and earn points in this category. Students, teachers and/or the principal may agree upon a school service project or task. A student may earn one (1) or two (2) points in this area. The point value will be at the discretion of the teacher and determined at the time the agreement is made. It will be based on:

- significance of service (one week or two weeks)
- effort required
- time required. (Maximum of 2 points)

In order to receive points in this category, a **School Service Validation form must be completed** and submitted with the Block L point verification form at the end of the semester. The form will include a description of the service, project, or task, and the teacher's signature indicating satisfactory completion.

Community Involvement

Non-school, community activities are beneficial to the growth and development of children. Participation in these activities, therefore, are consistent with the values and qualities of which the Block L Award is designed to encourage.

Students may earn points for participation in an activity, class, or organization not sponsored by the school. Two (2) points maximum may be earned in this category. Activities such as scouting organizations, community-sponsored clubs, instructional classes in fine arts (music, church group, community volunteer, etc.), or other genuine community sponsored organizations that promote the involvement of children in worthwhile learning activities qualify.

In order to obtain these points the students MUST submit (to the teacher) a completed school form signed by the sponsor/leader of the non-school sport, activity, or class and certify that the student's participation meets with the spirit of Lincoln's "CODE OF ETHICS".

Completed form must be turned into the student's teacher on time, or Block L Award will not be granted to student.
