## 3rd Quarter IDAC Meeting Minutes Thursday, January 28, 2021 3:00-4:00

1. Welcome and Introduction
  - a. Mrs. Castro welcomed the parents to the Zoom meeting, reviewed the agenda, and confirmed that the parents had all received the documents through email.
  - b. Mr. Verhalen also welcomed the parents and thanked them for their participation.
2. Purpose of IDAC- Intercultural Diversity Advisory Committee
  - a. The purpose of our meetings was reviewed and Mrs. Castro reminded the group of Lincoln's focus for this year- school culture and multi-cultural education.
3. School Update
  - i. Great Kindness Challenge- our school is participating this week in the National Great Kindness Challenge. Our school-wide project is to make cards/letters of encouragement for the health care workers in the hospitals of our area.
  - ii. School Calendar of Celebrations- As recommended at the last IDAC meeting, we created a yearly school calendar that includes the diversity months and groups that we want to celebrate every year.
  - iii. Many of our teachers joined a CW Area PLC that begins the conversation about race and how to best support ALL of our students.
4. LCAP Feedback-
  - a. Mr. Verhalen asked the attendees for their opinions on certain needs and what our LCAP dollars should go toward. Our parents agreed that we should allocate funding to technology and access because if we need to continue distance learning our resources are "clunky and unreliable". They also thought a priority should be the area coaches who are helping support and train our teachers during this unprecedented time.
